Dear San Bruno Voters,

As your Councilwoman and Vice Mayor, I have a strong record of dedicated public service to you. I am seeking re-election to keep my experience working for our San Bruno community where I was born and raised and where my husband and I chose to bring up our three children.

In addition to creating San Bruno Library Foundation, the Beautification Task Force, and Operation Clean Sweep, I represent our City on numerous boards/commissions; e.g., Chair of Advanced Life Support-Joint Powers Agency that implemented paramedic/firefighter services in San Bruno and throughout the county, and as past Chair of Bay Area Water Supply and Conservation Agency, a multi-county board.

San Bruno is positioned on the crest of the most exciting chapter in our City's more than 100-year history, including the BayHill Development, Transit Corridor Plan, Downtown Street Scape and Parking Plans, and the new Recreation/Aquatic Center complex.

Concurrently, we face challenges: finding the means to build a new library/media center; dealing with sea level rise; congestion management; housing concerns; and identifying compassionate ways to help homeless children and adults in our community.

I bring determination and leadership skills to these issues. Thank you for your past and continued support to keep my experience working for you. www.vote4oconnell.com
